Go 90 feet on a compass bearing of 69° .

COURSE 3

From the starting point, go 120 feet on a compass bearing of 48° , then:

Go 95 feet on a compass bearing of 185° , then:

Go 160 feet on a compass bearing of 280° .

LEAVE THIS AREA BLANK

COURSE 4

From the starting point, go 140 feet on a compass bearing of 160° , then:

Go 137 feet on a compass bearing of 33° , then:

Go 125 feet on a compass bearing of 274° .

COURSE 5

From the starting point, go 90 feet on a compass bearing of 249° , then:

Go 80 feet on a compass bearing of 140° , then:

Go 95 feet on a compass bearing of 34° .

LEAVE THIS AREA BLANK

COURSE 6

From the starting point, go 160 feet on a compass bearing of 100° , then:

Go 95 feet on a compass bearing of 5° , then:

Go 120 feet on a compass bearing of 228° .

COURSE 7

From the starting point, go 90 feet on a compass bearing of 345° , then:

Go 110 feet on a compass bearing of 215° , then:

Go 100 feet on a compass bearing of 90° .

LEAVE THIS AREA BLANK

COURSE 8

From the starting point, go 90 feet on a compass bearing of 165° , then:

Go 110 feet on a compass bearing of 35° , then:

Go 100 feet on a compass bearing of 270° .

COURSE 9

From the starting point, go 75 feet on a compass bearing of 140° , then:

Go 85 feet on a compass bearing of 260° , then:

Go 120 feet on a compass bearing of 30° .

LEAVE THIS AREA BLANK

COURSE 10

From the starting point, go 75 feet on a compass bearing of 320° , then:

Go 85 feet on a compass bearing of 80° , then:

Go 120 feet on a compass bearing of 210° .

COURSE 11

From the starting point, go 60 feet on a compass bearing of 125° , then:

Go 90 feet on a compass bearing of 345° , then:

Go 72 feet on a compass bearing of 220° .

LEAVE THIS AREA BLANK

COURSE 12

From the starting point, go 90 feet on a compass bearing of 310° , then:

Go 60 feet on a compass bearing of 94° , then:

Go 80 feet on a compass bearing of 155° .

COURSE 13

From the starting point, go 72 feet on a compass bearing of 40° , then:

Go 90 feet on a compass bearing of 165° , then:

Go 60 feet on a compass bearing of 305° .

LEAVE THIS AREA BLANK

COURSE 14

From the starting point, go 90 feet on a compass bearing of 130° , then:

Go 60 feet on a compass bearing of 274° , then:

Go 80 feet on a compass bearing of 335° .
