TREASURER'S REPORT: As of our Nov. 30 banks statement our accounts says we have \$7,216.08. This is not an accurate picture of our account however b/c the popcorn money check and the recharter check have not cleared. This also includes scouts' individual accounts. Our more accurate amount the troop has is \$662.35. This month's expenses have included reimbursement for the web site to Brad in the amt. of \$123.90. Also, Diane noted that \$132.50 is still outstanding with scouts owing dues. She also mentioned we will have a big expense when WeBeLos cross over in February with slides, manuals, etc.

The troop will not meet again until January 5.
